

RANCHO SISQUOC WINERY

Celebrating 30 Years of Fine Wines

2007 SAUVIGNON BLANC

SANTA BARBARA COUNTY
ESTATE GROWN AND BOTTLED

The Winery

Located on the Foxen Canyon Wine trail in Santa Barbara County, California, the winery is part of a 38,000 acre ranch. Rancho Sisquoc Winery is proud to have been hand crafting wines since 1972.

The Vineyard

Our vineyard is comprised of over 300 acres planted on south facing slopes on the Sisquoc River. Unique microclimates allow us to grow several varieties, and to produce grapes that offer distinct flavor and quality.

The Philosophy

Our winemaking philosophy is a simple one: We create high quality wines in limited quantities, and offer them at a reasonable price.

Winemaker's Notes

A beautiful pale straw in color, this wine offers a full palate of sweet pea, pear, and tropical fruits. The nose brings you fruit blossoms, light vanilla, and coconut. Though the wine is bone dry, there is a sweet sensation on the palate and finish.
