

# RANCHO SISQUOC WINERY

*Celebrating Over 30 Years of Fine Wines*

## 2009 Cabernet Sauvignon

SANTA BARBARA COUNTY  
ESTATE GROWN AND BOTTLED

### The Winery

Located on the Foxen Canyon Wine trail in Santa Barbara County, California, the winery is part of a 38,000 acre ranch. Rancho Sisquoc Winery is proud to have been hand crafting wines since 1972.

### The Vineyard

Our vineyard is comprised of over 300 acres planted on south facing slopes on the Sisquoc River. Unique microclimates allow us to grow several varieties, and to produce grapes that offer distinct flavor and quality.

### The Philosophy

Our winemaking philosophy is a simple one: We create high quality wines in limited quantities, and offer them at a reasonable price.

### Winemaker's Notes

Loud and proud is how Alec describes this Cab. It starts with a blast of vanilla, sweet oak, ripe black fruit, tobacco and pomegranate. The palate is weighted with red fruit flavors, lots of toasty oak and a fabulous velvety texture. This big Cabernet will be wonderful with red meat or any rich and bold meal. The opulent tannin on the finish will leave you asking for more!

-Alec Franks
