

Rancho Sisquoc Winery is located about 14 miles east of US Highway 101 just off Foxen Canyon Road.

From the north, exit US101 at Betteravia Road in Santa Maria and head east. Betteravia Road will become Foxen Canyon Road and make a series of right and left turns. Just follow Foxen Canyon Road until you reach San Ramon Chapel, then follow the signs to the winery.

From the south, exit US101 at Alisos Canyon Road; turn left when it dead-ends into Foxen Canyon Road, go to the San Ramon Chapel and follow the signs into the winery.
