WINEMAKERS NOTES

This ruby red wine has a hint of blue to it that gemologists might label a blood-ruby; the most sought-after gemstone. The aromas of this wine fall in line with its appearance: red fruits that are followed by a bouquet of sweet oak, spice and pepper. Bright, red fruits with strawberry pushing through lead the way followed by dry herbs and signature cab franc pepperiness. The red-fruit acidity plays nicely with the sweet, cocoa oakiness that leaves a plush, rich finish. There once was this wine-snob character named Miles who proclaimed to never expect greatness from a Cab Franc. Well, this wine proves Miles to be a charlatan.
