

RANCHO SISQUOC WINERY

2020 MALBEC

WINEMAKERS NOTES

Our 2020 Malbec has an inky appearance. The deep violet hues hint at the depth and intensity of the wine, making it a delightful choice for those who appreciate a bold and full-bodied red wine. Red and black fruits envelope the nose, as vibrant blackberry and red currant mingles with an undercurrent of spice and dried herbs, creating a nice bouquet. Red and black fruits are most prevalent on the palate, with subtle notes of oak, cedar and mocha offering a concordance of flavors including blackberry with a hint of tobacco and lavender. Open a bottle to help keep you warm during El Niño.
