

RANCHO SISQUOC

2021 SAUVIGNON BLANC

TASTING NOTES

Our Sauvignon Blanc is sourced from a 1.5 acre block of our Flood Family Vineyard and is 100% single clone (530). Tropical fruit leaps from the glass with notes of guava, passion fruit and melon leading the profile. The palette is true to the aromas as guava and tropical fruits are followed by a slight of lime, honey, and nectar. Our Sauvignon Blanc receives a short aging of four months in French oak barrels that add to the wine's complexity and delivers smooth, voluminous mouthfeel to carry the tropical acidity.

Aged for 4 months in 30% New Oak

100% French Oak

Vineyard: Flood Family Vineyard

PH: 3.36

TA: 7.16

Alcohol: 14.4%

Production: 372 cases
